Michael J. Del Re, III, ChFC®, REBC®, AIF® Attends Cambridge Retirement Plan Summit in Philadelphia, Pennsylvania

{Philadelphia, PA} **– September 3, 2013** – Michael J. Del Re, III of Financial Network Limited recently participated in the Cambridge Retirement Plan Summit in Philadelphia, Pennsylvania, held August 21 through August 23, 2013. Mr. Del Re, III received the distinction of speaking as a panelist at this event. He was asked by Cambridge to share his experience in the retirement plan marketplace and effective business model solutions to help other Cambridge rep-advisors build their retirement plan practices. This summit gathered rep-advisors from across the country to share best practice ideas with their peers, gain insight from industry experts, and engage with sponsors.

The Retirement Plan Summit covered a variety of relevant educational sessions for advisors which included strategies to help grow their business, best practices to help the plan sponsor mitigate risk, and techniques designed to help participants meet the definitive goal of retirement preparedness.

This event is just one example of Cambridge's dedication to helping advisors learn and grow by providing opportunities for financial professionals to continually enhance their knowledge in the retirement industry in order to provide disclosure and education to their existing clients and supplement the services they can provide.

Accredited Investment Fiduciary® (AIF®) Designation

While attending the Retirement Plan Summit, rep-advisors were encouraged to participate in an educational training program to earn the Accredited Investment Fiduciary® (AIF®) designation from fi360. Earning the AIF® demonstrates that an advisor has gained advanced training and competency in the subject of fiduciary responsibility as well as the ability to implement a prudent process into their own investment practices, as well as those of their clients.

Cambridge partners with fi360 to provide training, tools, and resources in support of their mission to promote a culture of fiduciary responsibility and improve the decision making process of investment fiduciaries and financial service providers.

Mr. Del Re, III received his AIF® designation after completing the required training in 2011.
